“ Vinnie and Family:

I was so very sorry to hear of the loss of your mother. She was a very special lady and will be missed by all she came into contact with. My parents came to know Mrs. Jackie while they were at the nursing home for rehab. Your mother helped to make their stay there much easier. She was always ready to share a laugh and a story and to make others feel a little better. May your memories of your Mom help you through this most difficult time.##imported-begin##Brenda Tryon##imported-end##

“ To Wayne,
I remember a day when you, Jackie and I drove around to see the sights and what a good time we had. Jackie spoke well of your parents. We lost touch after you moved and I thought of her often. We did some fun things while in high school and they helped the new kid on the block to adjust.
My best to you and the rest of your family
