“ *It was by chance that I saw Jan's obituary in The Delaware State News. After my husbands death I moved from Norfolk, Va to live with our daughter Kathy and her husband. I had wondered about Jan who was such a delightful person. We lived across the street from you all on Jersey Ave. in Norfolk. We lost touch with each other and I wish we had not lost that contact. Jan had MS even then in the early 1950's. She truly was a lovely lady. God bless all of you. sincerely, Jane Wingfield###imported-begin###Mrs. Robert M Wingfield###imported-end###*
