“ I don't know you personally, but when I hear of anyone losing a family member in a motorcyle accident it touches me alot, when it was not their fault. My heart goes out to your family and I hope that God will give you healing. My husband is a safe rider and was involved in a accident and it was the worst call I ever received. Thank GOD he made it. May GOD bless you and heal your hurt and pain###imported-begin###Lisa Miles###imported-end##

“ *I have many memories of Jason, when were kids right up until a few weeks ago. He always wore a smile and he could always bring others to smile. He will be missed by so many and the memories we have will be cherished forever. My heart is so saddened for his family and I pray that God will bring them peace and comfort in their time of loss. “ I only met Jason a few times when he visited my neighbor, but the person I saw was a strong, hard working man. The kind who would do anything to help if he could. The kind we need more of in this world. My deepest condolences to his family and friends.##imported-begin##Joseph Olenik##imported-end##

“ Jason I know that you are up there with God our father, just dancing around heaven and smiling as you always did. We will miss you dearly. You were like a brother to Donnie! Tonight we sat down and looked at pictures we had taken last Summer on the motorcyle and at our wedding, I'm so glad that we have all of those memories to hold onto.

*Aunt Dallas, Uncle Rick, and Jacob we love you all so very much, Know that it's ok to cry during this time for blessed are those who mourn, for they shall be comforted (Matthew 5:4). We are family and we are here for you.*

*Love,

We are so sorry for the loss of Jason.  
We love you and are praying for you.  
Jason was a friend that felt like a brother soon as I got to know him.  
God brought him at a critical time in our lives and I will never forget  
him as I look at his handiwork in my home every day.  
I praise God for the chance to know him and look forward to seeing  
him again in glory!
