“ I will never forget our first Christmas together up in Lost River WV, at Rick's cabin. It was so very magical! Never forget going out on the property and chopping down a Christmas tree, while Jack and you found things in the cabin to decorate it with. That was the most special Christmas I have ever had. I miss you so much my love, and the memories of you are so special to me. I can't wait till I see you again! Grandma passed last week, and I was so excited that you and her will finally meet. I love you Jeff!

“ *I am so sorry for your loss. it has been years since I last saw Jeff. He would come and visit our house after school and during summer vacations since we were right up the road. He was a kind young man. I know he is with Mrs Jackie and I'm sure there is no other place he'd rather be. May God hold you all in his embrace and help you through this trying time. Peace be with you all.*

“ I was so sad to learn of Jeff's passing. He was in our youth fellowship group at Greensboro Methodist Church (my husband Dave and I were advisors) and we thought the world of him. My prayers go out to Jeff's family and friends.

“ I will always remember Jeff as that quirky kid in my art class and art club, very talented and very different but one of the most outspoken of many students that I had the pleasure to teach and get to know. I remember on a trip to New York City to visit the museums Jeff and his cousin Lori pulled a practical joke of exchanging clothes on the bus and when we arrived in New York Jeff was wearing Lori's clothes and she his. Truly a remarkable young man and student. Mr. Holmes, Holmesy
