“ Still in a state of shock! I'm so sorry for whatever happened and wish I would've kept in better touch. My prayers are with each and every one of you! Jeni was a beautiful person inside and out and will never be forgotten 🙏

“ I remember babysitting you when I lived in Henderson. Denise Hagquist, my daughter, and you played many a day together. You were a childhood friend. The only thing was Denise would bite and many times you would go home with her teeth marks on your arm. That was her defense if she would get mad. Sometimes you two would want the same toy. I would always feel so bad because she would do this and your Mom and Grandmother were always so forgiving about the marks. We'd ice them and Denise would be in big trouble for it, I think you two were about age 1 or younger because you were still in a playpen in my kitchen. But as you got older you still played together and the biting became less. You were my first daycare child. Rest in peace, Jenny.

“ Just cannot believe this. Sending my prayers and Love to the family. You kids hang in there. I will never forget the good days as you kids were growing up and Richie being born. You were my neighbors here in the Henderson trailer park. We had some great times. R.I.P Jeni
