“ There are just TOO many memories to mention. Through our toys, when we were 9, through our boyfriends, husbands, children and grandchildren, our memories were plentiful. We made it through it all. They were the funniest and most awesome 46 years. I miss her so much already!

“ I first met Jo Anna and her brother Curt as their babysitter. She later became one of my sisters closest friends. My heart felt sympathy goes out to her entrie family and all her friends. She left way too early for those who loved her. Peace be with her after such a long uphill battle. V. Darlene Vonville Jones

Jo and I have been friends for so many years the memories are so many to mention. I miss her so much, I feel as though my life will never be whole again without her. She wasn't only my friend she was my secret keeper, the person I leaned on, and the person who knew me best. Jo, it will be hard without you but the memories I will always have and you will always be in my heart. Love you.
