“ *Jodi always had time to stop and chat when we ran into each other at Walmart. She always wanted to know how the house-building project was going and when the decks were built and could be seen from the road, she was so excited! We haven't yet had our house-warming party and that's a shame because she and Rich were on the invitation list. Rich of course will still be, but I'll miss her smile.*

I had the honor of knowing Jodi only a short period of time, but from the first time I met her, I knew she was someone special, someone very loved. Heaven certainly gained a beautiful angel.
