“ My sincerest and deepest sympathy go out to anyone who knew John, family and friends. I only worked with John a short period of time, but within that period grew a strong liking to him. I would always be relieved when i arrived at my jobsite in the morning and saw John, i knew that i was working with a good person who was compassionate about his work, humorous at times, and i knew the day would go smoothly. I just learned of this tragic loss Friday, a week later, ive shed tears daily since then, even stayed in the house all weekend grieving in disbelief. I will miss hearing his voice come through my 2-way radio. He was a good guy and will be missed greatly! WE MISS U JOHN! R.I.P.##imported-begin##Melissa/Co-worker##imported-end##
