“ *I am very saddened to hear of Jackie's passing. What a kind, caring person he was and such a friend to my parents, Bob & Fran Algier. Many fond memories of times we spent at the horse races, dinners and just at their home. He was so caring about my Dad during his illness. Years have past but I have never forgotten Jackie. May you be comforted in knowing he was such a loving person and had lasting friends. God Bless & Keep you.

“ *Evellyn, I didnt realize that I could leave a longer note. I wanted to tell you what I thought of Jack. He was always smiling. Laughed at the silliest jokes. Was always their for you. I know he loved you very much. Remember all the good times and even some of the others times too. He always treated you with respect and respected others. He was a good man. Keep him in your heart. The best for you in your future. Love your friend Terry##imported-begin##The Skinners##imported-end##*
