“ We are so very sorry to hear of Mr. Jack's passing. We were neighbors before we moved. He was such a kind person and looked out for his neighbors. We enjoyed and looked forward to his bread at the holidays and he was kind to share some of his garden in the summer. Loved talking to him about where to get the best crabs. He will always be remembered fondly. Our condolences to the family!

“ Sorry to hear of Jack's passing. Prayers and sympathy go out to Dawn and Jack and their families plus his brother Jim. . Jack came to several of the Ridgely Historical Society chat sessions and always had alot of memories to share. I was surprised to hear this news . He was full of life and seemed younger than his age would suggest. He will be missed.
