“ *Pop pop I know it's been more than a year it's almost 2 since u gained your wings. There isn't a day that goes by that I don't think of you and all the good times. It gets so hard sometimes when I find myself getting ready to pick up the phone to call you. I know that you are flying high watching over all of us. But I just want you to know how much I miss you and love you. The kids talk about you often. I love you so much and miss you dearly.*
