“ *Dot (.) ~ you and the entire family have been in my prayers! I've cried often over the past several days knowing you are hurting and grieving. I'm sorry for your loss! John was one of a kind. He enjoyed giving me a hard time and teasing me, as he did so many. I never knew why he liked picking on me so much, other than I gave it back to him just as much. :-)*

One of the first things that popped into my head after I heard he passed was how happy my Dad would be to welcome him into Heaven. He and mom prayed for John for many years and we all rejoiced when he gave his heart to the Lord. I'm glad you were able to witness that amazing grace in his life! We love you and are lifting you up to the Father.
