“ Hi! This is Jason Toth. You know me very well and that I was with Billy a lot. We became very good friends, as time went on. Unlike a lot of people I can actually say that I loved Billy as a brother. The times that Hignutt and I sent with Billy were crazy and wild but always fun. We may have got in a lot of trouble together. Billy always got his priorities straight. Don't let all these posers that think they knew Billy get in the way of remembering who he really was. You know where I'm at, know that I will do anything for you and I truly loved Billy.
Love Always

“ We are so very sorry for your loss. If theres anything we can do, please let us know. Billy was a very special person, inside & out. He will be missed dearly. It's a real shame he had to leave us so soon. I know he's in heaven, doing burn-outs, or something he's not supposed to be doing, something he's not supposed to be doing, like always, But thats what made him...s p e c i a l. To The Arntz family, You are in our thoughts & prayers. Very sorry, for the lost of your beloved Billy.

“ *I share in the sorrow you have in losing a precious child. Hold on tight, seek loving and understanding friends, take comfort and peace in faith. Remember the person that your son was created to be. Give back in his name. I personally have found comfort with the organization.... Compasionate Friends (a support group for parents who have lost a child for any reason). Maybe you will too. May God Bless you today and always!
