“ *My deepest sympathies, Phil, to you and your family. My prayers and thoughts are most certainly with you. Judy helped to take care of my mom for several years. She was always there for Mom and Brandon and myself. She would take Mom to doctor's appointments, spend the night with her when I needed a break, or just come visit. She even threw me a small birthday party, bringing cake, her daughter Karen, and grandson Ethan, along with some gifts! That is a memory I will always hold, dear to my heart. She would also bring us all Christmas gifts. She was a kind and loving person and I will never forget her. My love goes out to her family. I'm sorry I couldn't be there today.*
