“ So sorry to hear of this news. She was always very nice to me and our sharing of thoughts with kids, soccer, homeroom mom duties at Ridgely Elem school. Hope your hearts heal and your memories comfort you in this difficult time.

“ I met Julie when I was 5 years old. I couldn't count the number of memories we have from our childhoods for they are many. I love her like a sister and wish that I had found her sooner. Godspeed Julie. I will always keep you in my thoughts and in my heart.
