“ June was a beautiful woman with a big heart. I knew when I was around her that there was goodness in the room. She had a way of making those around her feel loved and special. I will surely miss her!

I have many fond memories of visiting Aunt June, Uncle Gene and my cousins. Especially when they lived in Ferndale. My daughter and her children enjoyed the family get togethers with the hay rides and catching up with all. Aunt June was such a generous, giving person. Much love to Carl, Gayle and Trish and their families.

“ Aunt June will be missed by many family members. Thanks for all those special and fun years at our family reunions...without your dedication and hard work we wouldn't have been able to pull them through. I'll always remember the great and fun time we had in Alaska on our cruise with I-YI.....drinks, laughs and great times

“ I don't know where to begin to share all of the events June and I went through. We lived in the same neighborhood, raised our children together, vacationed together, etc., etc., I didn't even know June had been ill so I'm in a state of shock. What a sweet caring individual. She was always ready to lead, cook, plan, and hold successful events for any occasion. She was a great hostess. She and Carl hosted many a crab feast while they still resided in Ferndale. We were also part of the group that started the Ferndale Garden Club and attended many a little league game together.

I'm now living in Florida so will be unable to be there but please know that my deepest sympathy is offered to all of you. There is a big hole in my life now. May she rest in peace.

My love to Carl, Gayle, and Patricia,
