“ I was a friend of Justin’s in school , I’m sad to say I won’t be able to attend Friday due to a surgery. So I needed to reach out and share my condolences. I’m so very sorry for the tragedy that has struck your family. Justin was a beautiful soul! He was always kind never had a bad word to say about anybody! He loved baseball and he was a natural at it too! I played softball for a few years and we all rode the same bus to games. He helped me pass tech ed in school as well we sat next to each other in class and I couldn’t have done it with out him. Justin was always kind. I remember we would all hang out after graduation and talk about life what little we knew of it then. He always listened and never judged , a good friend indeed. Justin was always lending help where he could and whenever he could. He was a beautiful person and had a kind soul. Probably one of the purest people I’ve had the pleasure to know and call a friend. The world lost an angel on earth but heaven gained one. I’m grateful for the little bit of memories we shared in high school and for the year after! This photo is of me Kimberlynne Kibler (bottom) and Julia Amerhein this was on my birthday and we headed to the beach! Herby was there too we had a blast and Ill never forget it. Wish we stayed in touch! I’ll never forget how blessed I am to have known him. I know he’s resting easy and watching over his family! I hope we can meet again on the other side one day. Sending love and prayers to you all!
