“ Charlie, Leslie and Family,

*We are very saddened and sorry for the loss of Karisa. I remember going to company picnics and watching your kids grow up. I remember coming down to the eastern shore to play golf at crazy hours in the morning and seeing the kids at the house. What a beautiful family it is. Karisa was blessed with great parents, great siblings and children of her own during her time on earth. She will surely be watching over all of you from Heaven above. You are all in our thoughts and prayers.*

*Respectfully*
