“ What a privilege it was to know, work with, and worship with Kate Breeding! This includes the Breeding family. Kate was patient, kind, and caring. Kate was dedicated to her family, friends and community. The same is true of those she hardly knew. Those who are a part of the GES community will know what I mean when I say, Kate was a shining GEM! “ There are no words to truly capture the void left by Kate Breeding’s passing. Having her in our lives since 1976 was a gift; she wasn’t just a friend, but a cornerstone of our family history. I (Kimberly) will never forget her patience and care when she tutored me as a child, or the many years she spent sharing a pew and a bond with my mother & father at church. Her presence in our lives felt like home. Kate was the definition of loving and kind, a rare soul who poured her heart into everyone she met. We are all better for having known her, and her memory will live on in every life she touched. Rest easy our dear friend. 🕊️
