“ Dear Michele and Blair,

I am very sorry for this unexpected loss. Your mother will truly be missed.

She was a true friend who welcomed me to the Caroline County Garden Club 30 years ago and became a mentor to me and many others.

My thoughts and prayers go out to you and your families.

*Sincerely,
Paula Bounds*

“ Dear Car buck and Michelle,

The good Lord gives life, and He takes it. It always hardest when He takes a loved one from us, especially a lady as awesome as "Mrs.Kathy"! We had many memorable moments growing up and spending time at your place. I still have things your mom made me when going off to college. She was a very talented person. She also taught me many lessons. Besides swimming, she taught me not to cut across her snow covered lawn when racing Donnie Cheezum to the chicken house when you all were away skiing! And, there's plenty more lessons I learned from your mom!

God Bless & Keep on the SunnySide!

To the Best Neighbors ever!

“ *I did not know Kathleen well, but, a library employee, I knew she was a great supporter of Caroline County Public Library. She gave her time and her treasure.*

“ Michele and family, I am so sorry for your loss. I had some really great conversations with your Mother over the past three years. She always looked out for us and the house when we were not at the River. We shared a love for our dogs and my dogs will miss seeing her and Maisey. She was a special person and I know how much she loved her family. She always kept me up to date on the weddings and new babies that she was so excited to meet. Dave and Joyce Spicer
