Katrina Murphy-Choi

Katrina “Kat” Murphy-Choi, whom her mother called Trini, aged 25, died suddenly in Centreville, MD on Friday March 22, 2024 as the result of a car accident. She was the beloved only child of Anne W. Murphy of Centreville MD and Mike Choi of Berryville VA. She was born in Columbia MD on March 3, 1999. She attended Sudlersville Elementary before moving to Deale, MD where she attended Deale Elementary. She loved trick or treating at Halloween and the Summer Fair behind the firehouse. She went to Southern Middle School and graduated from Southern High School in Harwood MD in May 2017.

She always loved to read and while in high school she worked at Barnes and Noble. After high school she was accepted into Radford University in Virginia. She also attended NOVA community college and Chesapeake College. While in college she got a job in childcare where she excelled and adored the children. While at Radford she was baptized in the New River. She loved to sing, make music, and make friends. She used to say “Happy to be here”. She had a smile that you would turn around for. She was dearly loved and will be missed by all including her cats Dexter and Nugget, whom she rescued. She was the light of her mother’s life like a Bright Beautiful Butterfly.

She is survived by her mother Anne W. Murphy, her father Mike Choi, her grandfather Thomas F. Murphy of Florida, her grandfather Steve Choi of Seoul South Korea, and her aunts Sarah Starr, Melissa Choi, and Mina Choi. She

was predeceased by her beloved grandmother Jeannette D. Wilson and her uncle Edward M. Murphy.

Thou lovest not me now,
But thou didst love me,
And in loving me once
Thou gavest me an eternal privilege,
For I can think of thee

The grass withers and the flowers fall, but the word of our God endures forever (Isaiah 40:8)

“ I know i’m a little late to this post but it’s been hard for me to process that she’s gone. Kat was one of my best friends. we always said to eachother that we had a “spiritual connection” and that butterflies were our spirit animals. Now whenever I see one I think of her. She even made me this painting, and if you look close enough you can see how important they were to us. Kat was such a beautiful person inside and out. She was an amazing friend. I’m going to miss her. I love you Kat.
