“ I was so sorry to read of Linda’s death. We got to know each other our last year of high school. I will always remember her warm smile, southern draw, and the sweet and gentle nature she possessed! We became good friends, but unfortunately lost touch. With prayers and sincere sympathy for your loss..

“ *What a loving Aunt so soft spoken and a gentle soul. Any time we went to visit her and Jackie we had such good conversations and laughter. So glad to have such a wonderful lady in my life. She is in a place called heaven where I long to be. And I will see her again. My prayers are going up for the family that God will give them that Peace that surpasses all understanding. Rick worked with her and always had a special place in his heart for her. Jackie took Rick crabbing and they have there stories of great times they had and Linda always had the coffee on. What a time it will be when we meet again.*

“ I am going to miss my little sister all our get togethers we had what memories. We are a close nit family and I have a promise from God that when we give our life to him we are covered by the blood of Jesus. And not only was she my sister in flesh but she is now my sister in Christ and we will be together again. It is a time to rejoice she made it home her journey is over on this earth. I will miss her and my prayer for Cindy and her grandkids is for God to give them extra strength and he will.
