“ *I am so happy to have had such a wonderful grandmother. I had not seen her in years, but still remember the ugly green carpet that I crawled around handing out christmas gifts to the family.*

“ *Lorraine and Bud came to visit us in Missouri. She was my aunt and Uncle Bud was my dad's brother. Although it has been years since I have seen them or their children, my sister, Phyllis and I speak of them often. Susan Peugh Sexton. St. Joseph MO*

“ Mrs. Peugh was without a doubt one of the nicest and funniest women I had ever met! It was always fun going to visit her on the farm with my grandparents and the stories they would share. The most memorable thing about her to me was that smile and her laugh. I went to visit her and Dighton a few years ago and it took her a little while to remember who I was but when she did I got to experience that same smile and laugh that I remembered as a kid. She will be missed. My thoughts and prayers are with Dighton and the family.
