“ *So sorry of the loss of such a wonderful man, I've worked with Louis for almost 30 years through various agriculture settings. One of my favorite memories was interviewing Louis and Janet for the Fair farm family. He was a big man with a big heart who always spoke with a soft voice. A gentleman in every sense of the word. He's one of the pillars in the agriculture community and he will be missed. see you again someday, Louis, God speed*
