“ Dear Aunt Mae, My Mom told me how beautiful your service was today. I so wish I could have been there. My Nom so misses her sisters but has peace that you are with Uncle Edgar and Lynn. I am thankful I got to see you in June. Thank you Virginia, Joan, Janice, Buddy, Diane, Eva and grandchildren for taking care of her so well. I loved her and always think of her love and patience for all of us. There was always room for one more in her home and at her table. She was a blessing to all. Patricia Bowers

“ Dear Aunt Mae, The memories of time on the farm with you and your family always makes me smile. You loved us all and never lost your patience. Your table was always filled with food you made that I still long for. My brothers would ride the milk truck from Clayton to stay with you and Uncle Edgar. We loved you so much and being with you made so many cousins happy. I am glad I got to see you one more time in June. You are with Uncle Edgar now and know he was waiting for you with open arms. I so wish I could be there tomorrow to celebrate your life.
