“ To my dear Mother, I know we had our ups and Downs but in my heart I know you loved me. Your at peace now and happy because without a doubt in my heart I know you're with Dad. That's where you have wanted to be every since you could remember he was gone(just this past June). When saw the glow on your skin and that half smile on your lips, I knew Dad was there waiting for you and you was whole again. Even though you will be missed and still loved I know you are where you want to be with Dad in Heaven. I love you Mom.
