So sorry for your loss, there are no words to describe the pain I know you're feeling now. I wish you could find comfort, maybe just a little, in knowing so many are praying for peace and the healing that time will bring.

I will SO miss Ann's smiling face at Samaritan House in Denton on Thursdays. I always made a special effort to see her there at least once a month. We would always compare notes about our fabulous children and grandkids & sometimes laughed til our bellies ached...God's blessings to the whole family. Heaven truly received an angel in her..
