*My Friend...Oh, I,m going to miss you. For over 30 years we have been good friends, shared all our thoughts and dreams and everything in between. What will I do now without you? I think of you all the time, and want to text or call you about something, like we always did. We were a mess..weren't we? You're in a better place now, and some day I'll see you again. Shayne and Bryce, so so sorry!*
