“ *My sincere condolences to the Parenteau Family, I just learned of Marty's untimely death. I work at Sunoco at the scalehouse, so I got to see him at least once or twice a week when he came through. I was on vacation and never heard he passed until now. He was a very nice man, He always had a smile and a joke to tell when he came in. May your memories of him carry you through the pain you feel.*

I was just blown away when I read that Marty had passed on, no words can help and comfort you except that he was a very well liked man and alot of fun to be around. I can remember him helping to learn how to waterski! His heart was a big as his life! I will remember your whole family in prayer. Marty will live on through your grandchildren and fond thoughts of him. Donna Landis-Smith*

I met Marty through my brother . We all attended St Elizabeths Catholic Church in Denton, Md. That was many years ago as kids. What a kind man. I am happy that he and Linda had such a long time together. May God bless you Linda and your family.
