

Martin Snow

November 13, 1948 - December 2, 2023

Martin Andrew Snow, 75, passed away at his home on December 2, 2023. He was born in Baltimore, Maryland to Charles and Margaret Snow.

Martin was taught by the Catholic Nuns of The Shrine of The Little Flower. Martin's father bought farmland in Henderson, Maryland and the family would spend weekends there building a home. They moved permanently to Henderson, in 1962. Martin graduated from North Caroline High School in 1966. He proudly served in the U.S. Army from 1968-1972. After serving in the military, he worked on his family's farm, primarily planting, and harvesting corn and soybeans. Martin developed a passion for planting gardens with a variety of fruit and vegetables, and he became a member of a gardening club. He worked for Mears Point Marina for several years, then continued to work on the farm. He loved to fish, hunt, and go crabbing with his many friends and brother Philip. Martin was well-loved, and he will be missed by all.

He is survived by his brother Dr. Philip Snow, nephew James Lindlof, niece Kristen Cardozo, 3 great-nephews, 2 great nieces.

He is preceded in death by his sister Joan Lindlof and his parents Charles and Margaret Snow.

The family plans to hold an intimate Memorial for Martin in the early New Year.

“*Martin was an old friend from th 70's. Spent many a weekend in Henderson with Bud, Chuck, Dave and him just having a good time with friends. "Martin!" we'll see you on the other side sometime down the road.*”

“*I was really sorry to hear about Martin. He was always interesting and a delight to talk to. A number of years after graduation I was transferred from Panama to a small army facility in Warrenton, VA. I was issued a meal card, which had to be shown to the "charge of quarters" before being allowed into the cafeteria. Amazingly, the charge of quarters was none other than Martin Snow. He had just gotten in from Sinop, Turkey, where he was an analyst. Fine person. My sincerest condolences to the family.*”

“ *Condolences to friends and family of Martin. I knew Martin for 20+ years after being introduced through a common friend. I really enjoyed spending time with Martin and the rest of the hunting buddies over the years. He always made me laugh and feel welcome when visiting. I am glad to have made so many memories with him over the years... from star parties to growing veggies, discussing investment choices... to many days in late summer and fall hunting with him and the fellow hunters. Martin is dearly missed.*
