“ I worked with Martin for a number of years at DSS and he was an excellent employee. You could always count on him to do a thorough job that was beyond reproach. He was very professional, although I know some of our customers tried his patience. He never showed his displeasure.

My heartfelt condolences to the family.

“ Martin’s daughter, Susan, was my best friend growing up, and my family lived right next door. He and Nora treated me like family whenever I came over to play. I spent a lot of time over at the house and we all went together on some fun trips- museums, Kings Dominion, HersheyPark, to name a few. Very fond memories! Rest In Peace, Martin.

“ Martin was a good cop and a great public servant. It was my honor to have worked with him as a police officer and in our later years while I was Public Advocate for the State of Delaware. Martins devotion to those he helped and those he sought to protect was exemplified by his quiet unassuming determination and exceeding professionalism.

I worked with Martin on Dover Police Dept during the mid 1970s into the early 80s. Martin was my road corporal several times during my career and he was always professional and fair to all. After leaving the Dover area I had the occasion to run into Martin at Kmart, I told him how proud I was to have worked with him and that I appreciated the support he gave me during my tenure. My thoughts and prayers to Martin's family, he will be missed.
