“ *Mom, you have always been my best friend, mentor, encourager, counselor, game buddy and prayer warrior. Our faith has made us strong, and given us the ability to live a life full of joy even in the hardest of times. Thank you for making my life beautiful all these years.*

How blessed we are - you are with Jesus. And I have peace knowing that you are in His presence with no pain, no heartaches, only pure joy and love forever - and I will be with you again some day.
