“ Aunt Mary was one of a kind. She was extremely hard working, would never ask for anything, and would give everything. My mother, Bea Goodhand, was raised with her and they were sisters in every sense. They shared a deep unspoken love for one another and exhibited great loyalty to each other and their families. They never failed to be there for each other in the hard times and the good times. Aunt Mary sewed new dresses for our old doll babies and painted doll furniture to look like new for me and my sisters . She made clothing for my girls when they were little, and even made stuffed animals for my grandchildren. I know for a fact that Shelby and Dana still have baby quilts that she made for their children and will be passed down to the next generation. Her outreach was far and wide even though she rarely left home. She touched many people's lives with her kindness and generosity. Her passing is our loss but heaven's gain. We have the hope that she had a wonderful "Homecoming" when she got there. Love to Rick and Kay and their families at this time of remembrance. Sharon and Jim Clendaniel

“ *I remember going to visit Aunt Mary and Uncle Herb with my Dad. She always had a delicious homemade coconut cake waiting. I loved listening to her and my Mommom Bea talk about sewing. Aunt Mary could sew anything - even teddy bears!*

“ I remember growing up in Bridgetown and going to Kay and Ricky's house. We had fun riding bikes around town. I remember your mother as a hard worker and a good Christian woman at Bridgetown church. God bless you and your family.

*Aunt Mary was very special to me. Going to visit Aunt Mary, Uncle Herb, Kay and Ricky, and Grandmom Cole in Bridgetown was always a time I looked forward to. We always had such a good time, exploring Bridgetown, and lots of good eating! Loved getting in that candy dish! Later as an adult I have fond memories of visiting Aunt Mary in Denton with Mom (Bea Goodhand). She was a wonderful seamstress and made quilts for all Mom's girls and baby quilts for our grandchildren. We all especially enjoyed the coconut cake she always made for Mom to have at Christmas when she knew we were all coming home. Though we won't be at the service(living in NC), our thoughts and prayers will be with the family during this time. She will be missed but we have hope and assurance that she is with our Heavenly Father, and having a great reunion with her loved ones that were there waiting for her.*

*May you feel the presence and love of God during your time of sorrow, Love, Becky Goodhand Haynes and John, daughter of Carlton and Bea Goodhand*
