“ *Please accept our most heartfelt sympathies for your loss. Our thoughts are with you and your family during this difficult time. Although I never had the opportunity to meet or get to know Ms. Mary, I'm sure that she was a very special lady. I can only envy the time that you were able to spend with her and all the memories that you will have to cherish. May the peace, tears, and laughter that comes from those memories, comfort you and your family now and in the days ahead.*

“ I'd like to offer my condolences to all of Mrs Luff's family. I used to come up to the farm in Ridgely, MD back in my High School days to hang out with Jay.

“ I'm very saddened to learn of Mrs Luff's passing. I had the opportunity to work with her on the sale of her home in Ridgely prior to her moving to Homestead. She was a truly wonderful person. My thoughts and prayers are with the family at this time.
