“ *May was a wonderful person. Though short in stature, her wit, warmth and caring made her head and shoulders above others. She made this world a better place. Some of the best and unique birthday cards came from May. She always brought a smile to our faces. She definitely was a letter from God. (2 Corinthians 3:2 & 3)*

*We loved you May,

She was short just like her sister she is with now. I think shortness runs in our family.

“ We were so blessed to have Auntie May in our lives. Treasure the memories and so many to make us smile. She told me she is going to be looking down on us and the thought of her in heaven as the little angel keeping things straight brings back a smile. She is certainly going to be missed by many
