“ Rest In Peace my dear brother- we had a special bond as brother and Sisis as you called me - you were my twin and only sibling- we came in the world together 4 minutes apart (my big brother) and you left this life holding my hand with your last breath- I know you fought so hard these last 13 months and tried alternative treatments- it was a rough road but you gave your all until the very end- I love you Mike and I'm missing you so much already - Fly high and say hi to our Mom, Aunt Grayce, Gramul and my baby Chuck - you are not in pain or suffering anymore ❤️😭🙏
