“ My condolences to the family, we happened to be visiting in Denton and picked up the paper only to find that she'd passed. Mildred had the sweetest 'way' about her! When I volunteered at the Benedictine infirmary in '92 Mildred came up to me and asked if I'd like a job. She had the confidence in me and so I figured I might be up to the task of caring for the infirmary sisters. I worked there off and on for several years and she was such a joy to work with! I last visited her at the home there on the Plains property some years back; I remember her waving goodbye, that is the last time I saw her. She will be missed by many I am sure of it! You never forget how someone makes you 'Feel' .. she made you 'feel' special and comfortable in her presence. What a bright spirit!

Thanks, Susan. Don't know if you remember me, I am Mildred's daughter, Cyndi. I, also, worked in the infirmary from 1989-1992. Mom was indeed special. I was her primary care giver in the home that she and daddy built when they left the Plains.
