“ Uncle Pete (Yes, I remember you preferred Pete to Mondell when you lived in Lancaster). I enjoyed bringing you boxes as you liked to break them up for me. I'll miss your poems. It was with great pleasure to take you to doctor's appointments and the grocery store. Also being your IT person. No more worrying if your bank statement was going to show up, No more worrying about ice on the sidewalk.

What I am going to miss the most was our trip we were going to take to Sight & Sound to watch the play, "Jesus." Now you are in His Presence.

I hope that your brother Clifford, sisters Nora, Ruth and Genevieve were there to receive you. Most of all I hope you are reunited with Mommom and Poppop Baldy-Ball.

“ I was sad to hear of Mr. Semans passing. I did not know him well, but what I saw he was very generous and giving. He was always giving to the children. He will be missed. Prayers going out to all who knew him and feel his loss. Rest In Peace! Mary Sue Brewer

“ Mondell just touched so many hearts. He was so faithful in our church and shared his poems in church with so many people. He and my father, Archie Carroll had a connection. Just this last Christmas Eve, when we got there , there were no more bulletins. We ended up sitting up front. Mondell was in his regular seat, dont know how he realized my father was looking for a bulletin but he walked up to the front and gave him his bulletin. He was truly inspiring as a church member, and to think his last day was in Church and he heard the message. God was with him. Of course, We love him and Charles. Gordon & Sherry

“ Every year (prior to Covid), we would all go out to dinner around the Christmas holiday to enjoy time together and celebrate the season. Although he was not a blood relative, Mondell was the grandparent anyone would be lucky to have or know. He had a huge heart and was always worried about helping others before doing anything extra for himself. He was truly one of a kind and will be sorely missed by all those who loved him dearly.

“ *Mondell, you were more than just a friend, but you were also part of our family for over 15 years. We've shared several memories including shopping, playing with the kids, trips to the zoo and Disney on Ice, you rarely missed a family birthday/holiday celebration, and you loved us and our kids as if we were your grandchildren/great grandchildren. You were an amazing man and will surely be missed by so many. We loved you greatly and hope you always knew that. You'll never be forgotten!* ”
