“ *My deepest condolences to the Simms family for this tremendous loss. May the words found at Isaiah 26:19 bring you comfort in knowing that you will one day see Nick again.*

Isaiah 26:19 "Your dead will live. My corpses will rise up. Awake and shout joyfully, You residents in the dust! For your dew is as the dew of the morning, And the earth will let those powerless in death come to life"

“ *My deepest sympathy's to Nicks entire family~
I sit here in shock and sadness as I type this. I was just informed today of this horrible tragedy. Just hours short of being able to pay my condolences in person. Nick was my brother in law. Always kind and very accepting of me when I was new to the family. While it was infrequent that we saw each other when we did I always recognized what a good Father he was to Dominick and great provider for his family. I am saddened that so much time has passed and I will never see him again. My heart breaks for all who loved him.*
