“ Our thoughts and prayers are with you all at this sad time. Lee was such a wonderful woman and loved you all very much. One of my fondest memories was playing ball with her on our ladies softball team at Price. She was an awesome pitcher and so much fun to be with. Special memories are what help us through our difficult times. Loving times and cherished memories can never be taken away. She will always be remembered for her beauty, her love for family and her smile.
