“ *The most sweetest beautiful daughter a mother could ask for... I remember when I gave birth to you.. Lil Brandon said mommy sissy so pretty and that name sissy stuck with you from that day on it. It's still hard to believe that your not here anymore (tears) but I know u are a beautiful princess looking down on me and your brothers love u soooooo much! Rest in internal peace see u one day at those white gates. Gone but never will be forgotten*
