“ I used to work with Pat at the Dry Goods many moons ago. She was a sweet person and had a great sense of humor. Pat was very proud of her family. I'm sorry to hear of her passing.##imported-begin##Melinda Gregory##imported-end##

“ We were sorry to hear of Pat's passing. She and Bob were our neighbors near Camden DE for many years and were a pleasure to have next door. We hope she went peacefully and that her family remembers the days when she cheered the young ones at ball games and enjoyed life with all of them. She's still with you.##imported-begin##Gordon and Evelyn Pearson##imported-end##

“ There are so many memories that need to be shared with our families. There were ALWAYS family gatherings that Pat was a special part of the happenings of the day. My relationship with Pat goes back to the 50's in my memory and was simply a common experience due to the frequency of the Williams brothers and sisters always making the effort to ensure we all stayed close as a family unit despite the geographic distances. I remember Sandy Hill summer vacations when Pat was young and again, our families came together for the love of the times... AND the food that was ever present!

*I feel a void at this hour, but know Pat is now with her beloved Bob and must praise the Lord for that. We love you all and please know how much we think of you often.*
