Curious if anyone here's knows the Dolan Family immigrated in 1886 and the Murphy family immigrated in 1860 something. My grandmother was from Charleroi of an Irish catholic immigrant family , her father used to have a farm on Lincoln ave and worked for the local gas company ; her mother a cigar operator. I'd love to find out anymore information and I have any relatives! I was adopted @ 11 and am researching my history. I hope some can be of help , maybe we're distant cousins! My grandmother joined the army and moved west in the early 50's, meeting my grandfather in Oakland Ca also In the army coming from a family of Portuguese immigrants. Just some fun facts and backstory I'm working on putting a family tree together etc 😊
