“ *We are so sorry for your loss. We know how precious he was to all of you and all the great memories you have. Think on the good times and remember he didn't say good-bye to you, only "see ya later". Love ya all.##imported-begin##Carl & Janice Clere##imported-end##*

“ You all are in my thoughts and prayers. God will give you the strength that each of you need to get through your loss and sorrow. I was told with each of my losses that time will heal. But I was not told how much time. I guess that is individual also.  
May God be with you.
