“ *So many memories I could share but the one that I will always cherish is the first time I met her. She & my dad came and got me because I was not being taken care of by my birth mother. She became my mother at age 11. She loved me and I was her daughter now. She loved to dress me up and fix my hair. She tried so hard to make me a lady but I was and always have been a tomboy. Drove her nuts. Mama, I miss you so much. I have never cried so much over a loss. Thank you so much for loving me and taking care of me. You were my angel. Love, Sharon*
