

Quinton Kenneth Potter

February 1, 1965 - June 19, 2022

We are sad to announce the sudden passing of Quinton Kenneth “Kenny” Potter on June 19, 2022, at the age of 57.

Kenny was born on February 1, 1965, the son of Betty Ann Potter and Quinton Charles Potter in Easton MD. He grew up in Goldsboro and graduated from North Carolina High School with the class of 1983. After graduating high school, he attended Delaware Technical Community College and earned a diesel mechanics degree; thus beginning his lifelong obsession with trucking and all things mechanical. In December of 1985, he met the love of his life, Wendi, while visiting her neighbor and from there they began to build their life together for 37 years. They were married on April 13, 1991, and 3 years later together they made the best decision of their life, to adopt their amazing son, Chase Potter.

Kenny never met a stranger and would give the shirt off his back if it gave him the opportunity to help someone out and was always willing to lend a hand or help with whatever he could. Kenny will forever be known as the good guy, with a huge appetite and an even bigger heart. He loved his family and special dog, Kirby, and enjoyed being on the water, fishing, and having long conversations.

Kenny is survived by his parents, Quinton and Betty as well as his wife, Wendi; son, Chase Potter; goddaughter, MaryJo Cutter; a sister; Patricia Hollingsworth (John) and a very large loving group of family and friends who will forever miss him.

A memorial service will be held on Friday, June 24 from 6-7pm at Fleegle and Helfenbein Funeral Home, located at 106 West Sunset Avenue, Greensboro MD, 21639, a service will follow.

“ *Ken was a great man. He was definitely a hard worker, as being a next door neighbor I have seen him so so many days in and out come home from work and jump right on things that he wanted to get done around his house, he was always outside working on something. Not to mention all the times that he has helped me with things with my car or lawnmower etc... and without even having to ask him for his help, he would just be outside working on his thing and if I were outside trying to figure something out boom he was there to help or at least give advice, wendi he was a great guy*

“ You were just shy of 28 years of watching over me, then again I guess you'll still be watching over me in some way, shape, or form. There are so many things left in my life I'll end up wishing you could be there for, but I guess being there to pick me up on my first day in the country makes up for most of that. Love you, dad. ❤️

“ *On our senior year, 1983, I remember Kenny and I having Mr. Holmes' art class together which we set at the same table. Kenny loves to talk and was always kind to others. No matter who you are, Kenny will strike a conversation with you. He will be missed especially at our 40th class reunion next year. Luisa Carlisle*
