You were a soldier kid but sometimes life gets the best of the best of us. May God have mercy on your soul and I'm still believing that God will take care of your family. They will remain on the heart of God until they become what you were hoping to see. I will never forget you Mrs. Korell!

“ To Rachel's family: I am so so very sorry for your loss. She was taken from this world way too soon. Her and I swapped baby clothes when my granddaughter was born and she would stop by my house to see how I was doing. No matter where or when I seen her she never changed. She was a beautiful person and she will always be in my heart and my memories. My son Ridge asked me to to tell you how much he loved Rachel all thru school and he is sorry for your loss. My door is always open, please call me if you need anything.
