“ *My deepest sympathies to everyone that knows Randy and especially his family. Cindy, Allan and Marsha, I love you. I'm so sorry.*

I've known Randy in some form or another since we were children, and we stuck together in high school pretty tight. He was there at graduation and at the beach afterwards. We had a blast! We worked together at Mooreshead Chemical in Greensboro for a time. we had a blast there too.

He was there when I returned from the Navy and was getting my feet on the ground.

In fact he was always there for me and he always had me laughing to the point of tears. Even when I think of things to this day.

As most that know Randy are aware, he was kind and funny and helpful when he could be. He will truly be missed.

Take care Cindy, Allan and Marsha.
