“ *Pop, there is not a day goes by that I don't have something to tell  
you. You always listened before and I am sure that you are listening  
now. The garden is looking good, although I am sure that it would  
be even better if you were here, I love and miss you so much.*

“ Ray will be greatly missed by his neighbors. He was generous with the "fruits and vegetables" of his labors. We will miss his smile that twinkled his eyes and his quiet words that weaved beautiful stories.

“ I don't know where to start with memories of you, there's just so many. I just know that I love you more than you'll ever know. You were like my father, you were there to guide me, teach me, and love me unconditionally. Rest easy Poppop. You'll be greatly missed.
