“ I was saddened to hear about the passing of Mr. Jenkins. I know if it were not for your hard work and caring heart I would not be where I am today. As kids we didn't understand your teaching style and strict rules in the classroom, but I realize looking back you knew what was best. You blessed so many lives. You will never be forgotten!!!

Whenever I reflect on my childhood Mr. Jenkins is one of the Best memories to share. I was told you were one of the meanest teachers in middle school and BEWARE of the ERASERS. Only to find out you were the nicest teacher to ever have. You will be missed dearly. Anybody that knew you will always remember you for three things...Stories, Erasers and Your slicked back hair!! RIP Mr. Jenikins Taranisha (Mills) Hynson.

“ Mr. Jenkins was my Math teacher at SMHS in the early 80's. He was tough, but definitely one of the best teachers that I've ever had. I haven't seen him since then, but I am thankful that he gave me the math skills that I needed to get where I am today. Sending prayers to his family during this difficult time.
